### **Questions and Answers:**

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

**1. Question: We are an agency that provides Physical Therapy. Can our agency submit a bid?**

Answer: Yes, you may submit a bid on behalf of an agency. If submitting a bid on behalf of an agency, you must submit with your bid the résumé along with a list of experience working with developmentally disabled individuals for any Physical Therapists who will be providing services. You should also submit a copy of the Physical Therapists' license and picture I.D. with your bid.

Further requirements can be found in the Qualifications and Scope of Work beginning on page 19 of the IFB.

**2. Question: If not all clusters are awarded from this bid, would OPWDD consider awarding the contract by individual houses or towns?**

Answer: OPWDD cannot issue a partial award from this bid that would divide clusters into individual houses or towns. There has been no decision as to what shape a future bid may take should one be needed, but OPWDD values and strives to incorporate all feedback received.
